Referring to this office No. 331 of the 15th May last, has the honour to forward a further petition received from Sravana Belgola complaining as before that the watchman appointed

18/11 Dame 20. 6/8/19/11/96

to see that no injury is done to the inscriptions and antiquities on the hills there, neglects his duty and that his pay is too small to ensure his regular attendance. These matters were brought to notice of the undersigned when on a visit to the place some time ago, and the complaints seem to be well founded.

Sir, With reference to your dockets Nos: 1166 & 622 dated 19th May/96 and 19th November 96 respectively/anent raising the pay of the watchers employed to look after the Basties at Sravanabelagola in the Channarayapatna Taluk, I have the honor to state that the watcher of the Dodda betta is paid Rs 11-10-a annually/and that the other watcher for Chikka betta is paid Rs 3 annually/. Their pay is quite insufficient. The Amildar reports that he

raise their pay to Rs 5- per mensem. Besides, the Swamy wishes to raise the pay of the Parapattégar to Rs 4 per month, as he is now paid only Rs 6-15-8 annually.

2. The duties of the Doddabetta watcher are of a specially onerous nature involving the daily ascent and descent of an elevated hill deserted during the greater part of the day, and a separate reference has been made to have a special watcher therefor at Rs 6 a month. The watcher at the Chikkabetta may get Rs 4 a month and the Parapattégar Rs 3 a month.

3. The financial condition of the institution can very well bear the extra cost, the annual income exceeding the annual expenditure by nearly Rs 1250, and there being a Sum of Rs 14531-1-6 under management on 1st October 96, as certified by the Treasury Officer. The annual charges as per above proposals amount to Rs 21-9-8 against Rs 156 at present incurred.

I therefore request you will be

be good enough to obtain Sanction in the matter. The file of papers ending with Amildar's Urji No: 43 are herewith Submitted for needful reference and obliging return.

I have the honor to be
Sir,
Your most obedient Servant

Order thereon no Mus[illegible]

Dated Bangalore 30th January 1897

The Deputy Commissioner reports that the watchers employed to look after the Bastis on the Dodda Betta and Chicka Betta in Sravanabelagola get monthly salaries of Rs 0-15-6 and Re 0-4-0 respectively and that owing the insufficiency of ~~their~~ to their pay they do not attend to their duties regularly ~~and properly~~; and as an incentive to diligent work on their part, the Deputy Commissioner

recommends that their Salaries may be raised. This recommendation of the Deputy Commissioner is approved and the Government are pleased to raise the Salaries of the two watchmen as noted in the margin with effect from 1st February 1897, the increased charge being met from the revenues of the Inam villages of the Sravanabelagola Matt which are now under Muzrai management.

Watchman on the Doddabetta Rs 5 a month —
Watchman on the Chickabetta Rs 4 a month —

2. With regard to the increase of pay recommended by the Deputy Commissioner to the Parpattegar, the question will be disposed of by the Muzrai Superintendent after a personal inspection of the institution.
